TURN-KEY PROJECTS – OFFICES & SHOWROOMS

We have a team of Architects, Designers, Site-Supervisors, Foremen, Electricians, Carpenters, Masons, Plumbers And Painters.

Thus we are able to undertake, supervise, and execute turn-key projects from dry-wall & demountable gypsum partitions, ceilings, electrical circuitry, and lightings, to custom made workstations, executive office suites and automated doors.

OUR PRIMARY AREAS OF OPERATIONS ARE:

OUR OWNED MANUFACTURING FACILITY FOR
GYPSUM, JOINERY, ALUMINIUM & GLASS WORKS
DOORS

We also specialize in making of Door sets including flush doors and solid wooden doors for Hotels, Towers and Villas in various designs and finishes with Civil Defense Approved Certificate.

**PRODUCTION FACILITY FOR HOTELS &
FURNISHED APARTMENTS**

Although the local market is flooded with ready-made furniture and furniture manufacturers, we believe that when it comes to bulk orders for hotel furnishings, the preferred option would be to purchase from a ready assemble stock. Other local

manufacturers may be able to meet the demands and these are always the option of importing but production or importing is limiting in term of time, and time is money.

With this in mind, we also stock certain fast moving items that cater to the hospitality industry. Double and single beds, bedside tables, dresser unites, luggage racks, mini bar cabinets, wardrobe door, dining tables, breakfast tables and dining chairs. In addition to furniture, our in-house upholstery and soft furnishing service makes it easier for a client to purchase a complete room right down to the duvets and drapes.

DESIGNER & CUSTOM MADE KITCHENS

We also specialize in custom-made kitchens to cater to the tower apartment projects & prestigious villas.

We offer designer kitchens for the luxury villas and residences.

We offer complete flexibility when it comes to size, finish and price. Our options included aluminum vinyl coated and melamine compressed wood cabinets for the luxurious Country-Style kitchen in Oak and Pine.

We design and build as per the space available, as well as provide other fittings like marble countertops, sink bowls, mixers, water heaters, floor and wall tiles, electrical circuitry and fittings,

FLOORING COVERING SOLUTIONS

We provide flooring solutions in the form of laminated parquet flooring that is durable, cost-effective and extremely flexible. The flooring is scratch, stain and impact resistant and comes with a ten year warranty. It needs no maintenance unlike other wooden flooring and can be removed and re-installed to any location due to its non permanent installation. The flooring is available in a variety of colors and shades.

We also offer carpet options as carpet tiles, carpet-rolls. Floor coverings in Ceramic tiles, Granite, Marble and Vinyl flooring.
